To
The Commissioner of Police
Pune

SUB: Letter of Appreciation

Respected Madam,

This letter is a token of Appreciation for **Mr.Parshuram Krishnaji Landge (Buckle 3381) and Avinash Ingale (Buckle 2971)** both attached to Bund garden police station, Pune. During the period of my hunger strike 4th March 2017 till 10th March 2017 at Council Hall Pune, against the recently conducted Municipal Elections for PCMC and PMC, both of them were part of the team who used to visit me, both the officials had displayed a very positive attitude and acted in a professional manner under stressful conditions while dealing with such a sensitive situation where hundreds had joined me in support, to avert any law and order situation.

Both of them are true examples of good policemen who serve the people with selflessness and honesty.

Thanking You

ssreejit
