Hi Respected CP Office,

Good morning. I want to take this opportunity to thanks CP office for connecting me with Respected DCP Zone 4, Deepak Sakhore who took out time to meet me and heard my concerns. Deepak Sir introduced me to Respected ACP Ganesh G at Khadki ACP Office who took appropriate action on the authority against whom I had registered a complaint.

When I approached Respected Commissioner of Pune Police Rashmi Shukla, I did not have any apprehensions in fact I was sure I will get the right help. The prompt response from the CP office, Deepak Sakhore and Ganesh G just reinforced my faith in the Police machinery.

I know this email is too delayed to appreciate the help and assistance I received but never the less I do not want to miss a single opportunity to Thank Pune Police for their prompt actions.

Thanks & Regards

Prakash Thyagarajan
