Dear Ma'am:

Last Thursday I was savagely attacked, totally unprovoked, by two goons in Kharadi at 11 p.m. I lodged a complaint with the Kharadi/Chandan Nagar police station. The officers at the station acted swiftly and arrested the goons the same night.

I wanted to write to you to show my appreciation for the help and support provided by PSI Mr. Yogesh Patil and PSI Mr. Nande and his colleague Police Constable Mr. Maddel and other staff at the Kharadi/Chandan Nagar police station for their public service.

I also saw how understaffed the police are in our city. I will try and do my best to help the police whenever/wherever I can since law and order is the most important need of our society today.
