LETTER OF APPRECIATION

I, Mr Vilaskumar T. Palresha, had recently faced a robbery incident during which my bag was stolen from my car near Modern College, Pune. I spoke to one of my family friends Mr Devendra Jain seeking urgent help in getting in touch with you regarding the same complaint. To my greatest surprise, I received a call that my mugged bag was found in less than 2 hours from another jurisdiction.

I am writing to express my salutation, appreciation and gratitude to the Pune Police for their concerted effort and endeavors to find my lost bag. I am confident that if every city has an able Commissioner like you, then law and order will prevail and citizens would be safe. I once again express my gratefulness and big thank you to the Police and am overwhelmed by the cooperation received from them.

It would be my greatest pleasure to host you at our office for a cup of coffee. I would be elated if you consider me for any small help to the department in the future.

Your commitment to help and assist others in difficult times is worthy of great appreciation. Please accept my sincere thanks for all your help and support.

With Respect,

Your Sincerely,

Vilaskumar .T. Palresha
