The recent cricket seasons in the last couple of years have witnessed several important tournaments/fixtures like the ICC T20 World Cup, two IPLs, and bilateral international series with South Africa, England and Australia. Your force under your leadership has unfailingly made fail-proof security and traffic police arrangements during these endless events on account of which the seasons have gone by without any untoward incident. From all accounts the arrangements were world class and were appreciated by one and all.

I wish to convey my sincere and heartfelt gratitude for the unstinting support and co-operation extended to us in the Anti Corruption and Security Unit of the BCCI during all these matches. I am sure our special relationship will continue in the future also.

Best wishes,

Yours sincerely,

Smt. Rashmi Shukla, IPS
Commissioner of Police, Pune City
