Subject : Letter of Appreciation

Respected Madam,

On behalf of my family, I take this opportunity to express my salutation, appreciation and gratitude to Pune police department, the police officer Mr. Rajesh Sawant ,PN 834, Deccan police station Pune city and his team for their effort in helping us to find our stolen mobile in UBER Cab .

We were travelling in UBER cab service and unfortunately we forgot our mobile in it. Soon after he dropped and left we called the driver and informed, since then there was no response. But after severe follow up calls he answered and started confusing us, made us unsafe, and mis guided us. He told he gave the mobile at Uber office and asked us to come and collect on the same day after 8.30 pm. When we checked, Uber office will be closed after 6pm and we felt danger. Since we came from kerala for my sisters admission and new to the city, we approached DECCAN POLICE STATION for help. We were helpless and couldn't remember his car number but from there Mr. Raj Sawant sir and his college (don't know that sirs name) helped us a lot. We had to travel back to Kerala early morning next day. So Mr. Raj Sawant sir advised us to tell the driver that "our brother" will come and get the mobile from office next day. But when sir got there, our fear was true, the driver was lying and he hasn't handed over the mobile in Uber office:

We really thank Mr Rajesh Sawant sir for taking the initiative to find the stolen mobile ,finding the driver and returning to my sister safely who is studying there . As we are from kerala and had to travel back leaving our sister in a new city, we were quite scared about the issue due to the drivers behaviour. Mr Sawant sir very patiently listened to us and gave us a feel like a brother and promised us that the mobile will be returned and the safety of our sister. His words "consider like a brother" gave us the confidence to leave pune and ask our sister to follow up this case with Mr. Rajesh sawant sir.

It is not just about recovering the mobile, more than that the comfort we felt from him and his colleges is more more appreciable . Mr. Rajesh Sawant sir totally changed our view about the police department that we had in our mind. Now we are really happy that our sister is in a safe city which is really protected by a strong police department. We also thank Mr. Rahul sir for giving the confidence and took our sisters fear away on the day of handing over the mobile.

Please consider this as our appreciation letter , our special gratitude towards Mr. Rajesh Sawant sir, big salute to the pune city police.

Thanking You,
