

To,

The Commissioner of Police,
Pune.

Dear Madam,

At the outset, on behalf of Cummins, we would like to express our profound gratitude to your team from the Kothrud (Shastrinagar) Police Station, who have most efficiently helped us address a problem which one of our employees was facing.

Mr. Rajendra Gosavi, working as Finance Leader for Cummins Generator Technologies Pvt. Ltd., one of the entities of the Cummins Group in India, received threat calls from an unknown person demanding ransom. This call was received on the evening of August 24, 2017. We immediately informed the police at the Shastrinagar Police Station who left no stone unturned in order to investigate and nab the culprit by August 28, 2017. The culprit has admitted to the offense and appropriate action has also been taken.

Your team has been extremely cooperative and prompt during our time of need and ensured that the problem was duly addressed in the minimum time possible. Such steps will go a long way in further strengthening and reinforcing a symbiotic relationship between corporates and the police authorities.

We would especially like to express our heartfelt gratitude to the following police members from the Shastrinagar Police Station, for their hard work and efforts -

- Senior Police Inspector – Mr. Raghunath Vitthal Phuge
- Police Inspector – Mr Shankar Khatke
- Police Sub Inspector – Mr. Digambar Keshav Jakhade
- Police Naik – Mr. Vijay Dashrath Kakde
- Police Constables – Mr. Satish Uttam Kshirsagar and Mr. Sunil Arjun Hagawane

Thanking you once again for your team's support.

Regards,

Rajiv Batra
Chief Financial Officer and Head – Facilities,
Cummins Group in India
