Subject: Appreciation of your honest and hardworking Police Staff and Rickshaw driver.

Respected Madam.

I am writing this letter to you to let you know how grateful and thankful I am towards your staff member (HEAD CONSTABLE) Mr. Rajesh B. Lonkar of Vishram Baug Police Station, and Rickshaw driver Mr. Sarjerao Anandrao Bhosle (Mob. No: 9765419987).

On 11/05/2017 in the morning I had gone shopping with my mother-in-law and my aunt at Tulsi Baug. After finishing our shopping there we took a rickshaw and went to M.G. Road where we stopped for purchasing some more things. I asked my mother-in-law to wait in the rickshaw while I quickly picked up some stuff from a shop. But for some reason she let the rickshaw go after paying the fare to the driver. However she forgot my bag in the rickshaw and when we realized that the bag was missing we were distraught because all the things that we had purchased including some medicines and clothes; were in that bag along with Rs. 5600 in cash. We were at a loss as to what to do and I returned home. After about an hour I got a call from Head Constable Mr. Rajesh. B. Lonkar of Shaniwar Peth Police Chowkey.

He had investigated the matter after Mr. Bhosle handed my bag over to him, found out my number and called me to let me know that the bag we had forgotten in the Rickshaw was at his Police Chowkey. I was overjoyed. My husband went over to collect the bag from him. He treated my husband with extreme courtesy. Mr. Lonkar returned the bag to my husband with all the stuff intact (alongwith the cash) without expecting any form of gratification from him and was extremely cordial and efficient.

I also want to thank the rickshaw driver Mr. Bhosle for his honesty and prompt action.

Once again a million thanks to Mr. Lonkar and Mr. Bhosle and to your police department for taking prompt action and helping a common citizen of Pune like me, honestly and efficiently. Hats off to Pune Police!!

Yours Sincerely

Shamla Jonathan Walker
